Work Experience

Hospitality Aide, Osborn Health & Rehabilitation, Scottsdale, Arizona   August 2019 - 2021
- Rendered exceptional service to a diverse clientele of over 50 elderly residents.
- Addressed inquiries adeptly, providing precise information, comprehensive assistance, and clear directions.
- Facilitated patients' comfort and well-being by tending to personal belongings and ensuring hygienic and organized living spaces.
- Played an instrumental role in the integration and development of new team members through comprehensive training, onboarding guidance, and diligent support.

Projects

Portfolio Website | *Html, CSS, JavaScript*
- Developed a dynamic and responsive portfolio website using HTML, CSS, and JavaScript to show case my personal projects, skills, and achievements.
- Implemented a responsive design compatible across various devices, including desktops, tablets, and mobile phones.

Java Based Music Player | *Java, JavaFX*
- Designed a feature-rich music player application using Java and JavaFX.
- Implemented a user-friendly graphical interface using JavaFX, enhancing the overall user experience and accessibility of the music player.

Community Experience

Member, Coding Club, Chandler, Arizona   April 2021 – Dec 2022
- Actively contributed towards various web development and game building projects, fostering practical skills in diverse programming domains.
- Demonstrated proficiency in constructing an E-commerce website, specializing in front-end design, and gained comprehensive insight into mySQL application for back-end operations.
- Enthusiastically tackled multiple LeetCode challenges, acquiring an extensive understanding of various coding patterns and enhancing problem-solving abilities.
